

Healing Space History

The Healing Space was created in 2008 to provide a space for deep healing, personal inquiry and transformation. Amelia's energetic offerings have a strong base in Healing Touch (clinical energy medicine); intuitive advanced apprenticeships with Cyndi Dale (and others); earth-based pathwork; and studies in spiritual physics and energetic and clinical anatomy and physiology.

About Amelia

Amelia is a Healing Touch Certified Practitioner and Certified Instructor and a specialist in Energy Medicine who incorporates a variety of energy methods and vibrational modalities in her work with you. Some of these include the use of craniosacral therapy, reflexology, intuitive sciences, color, gemstones, aromatherapy, ancient shamanic teachings, sound, sacred geometry, guided imagery, and affirmations.
